PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Repackaged or repurposed use of this product may cause allergic reaction in some individuals. Do not allow people or pets to enter the treated area until sprays have dried. Wear a minimum of a long-sleeved shirt, long pants, shoes and socks, safety glasses, and chemical resistant gloves made of any waterproof material when handling or applying this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse. Remove contaminated clothing as soon as possible and discard.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if person is able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

NOTICE: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-252-1303 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment, washout, or rinsate. This product is harmful to aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of equipment, washout, or rinsate. The use of this product in areas where soil is permeable, particularly where the water table is shallow, may cause ground water contamination. Use around a system or well may result in contamination of drinking water. If you have any questions about the use of this product, contact your local salt water system agency for guidance. Never place unused product down any indoor or outdoor (including sewer) drain.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Keep out of reach of children. Do not store in original container and placed in areas accessible to children.

PESTICIDE DISPOSAL & CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty, Fluoride in soil or water for recycling if available. If partly filled: Call your local salt water system agency for disposal instructions. Never place unused product down any indoor or outdoor (including sewer) drain.

NOTICE: To the extent consistent with applicable law, the buyer assumes all risk of use, storage, or handling of this product not in accordance with label directions.
