Micro-Kill One Germicidal Alcohol Wipes are an effective wipe for hands, surfaces, and objects on hard non-porous surfaces. The active ingredient is ethyl alcohol, which is known to be an effective disinfectant against a wide range of bacteria and viruses.

**BACTERICIDAL**
- Acetobacter baumannii
- Campylobacter jejuni
- Enterobacter aerogenes
- Klebsiella pneumoniae
- Listeria monocytogenes
- Pseudomonas aeruginosa

**VIRUCIDAL**
- Norovirus
- Rhino viruses
- Human Coronavirus
- Poliovirus
- Influenza virus type A2 (H3N2)
- Rotavirus

**FUNGICIDAL**
- Trichophyton mentagrophytes (Athletes Foot fungus)

**TUBERCULOCIDAL**
- Mycobacterium bovis

**Active Ingredients:**
- Ethyl Alcohol (72.50%)
- Oxalic Dihydrate (6%)

**Other Ingredients:**
- Water, Carbomer, Sodium Hydroxide, Hydroxyethylcellulose

**KEEP OUT OF REACH OF CHILDREN**
See side panels for directions for use and additional precautionary statements.

**EPA Reg. No.** 84844-2-75749
**EPA Est. No.** 95743-TUR-1

**Pre-Saturated Wipes**
- 6 in. x 7 in. (15.2 cm x 17.2 cm)
- Net Wt: 1 lb. 14 oz. (427 g)

**Net Contents:** 160

**Directions for Use:**
1. Open package by lifting the flap from the top of the package. Gently pull the wipe from the package. Each package contains 1 wipe. Wipe provides a concentrated solution of 72.5% ethyl alcohol.
2. Once you have removed the wipe, the package is automatically resealable to maintain the alcohol concentration. This product is not water-resistant and should be disposed of after use.

**Caution:**
- Do not use on medical devices or equipment.
- Keep out of the reach of children.
- Not for use on sensitive skin.
- Do not use on non-porous surfaces, such as glass, plastic, and metal.
- Use only on hard, non-porous surfaces.
- Use only in well-ventilated areas.
- Do not use on wounds or cuts.
- Do not use on plastic surfaces.
- Do not use on non-porous surfaces.
- Do not use on medical devices or equipment.

**Precautionary Statements:**
- To prevent burns, do not apply to skin to which concentrations of alcohol are unknown.
- To prevent burns, do not apply to skin to which concentrations of alcohol are unknown.
- To prevent burns, do not apply to skin to which concentrations of alcohol are unknown.
- To prevent burns, do not apply to skin to which concentrations of alcohol are unknown.

**Physical or Chemical Hazards:**
- Flammable.
- Keep out of reach of children.

**Storage and Disposal:**
- Do not compost.
- Do not incinerate.

**Legal:**
- Made in USA
- Cautions and warnings are contained on the label.

**Safety Data Sheet:**
- Available upon request.

**EPA:**
- To prevent burns, do not apply to skin to which concentrations of alcohol are unknown.
