De Flea®
Pet & Bedding
Spray for Cats
Kills Fleas & Ticks

Made with Natural Cinnamon Oil
For Cats of all ages

Net Contents: 8 fl. oz. / 237mL

Shake well before using. Read entire label before using and use only in accordance with label instructions. Ready to use. Do not dilute. This product can be used on any age kitten, however it is recommended to contact a veterinarian prior to bathing a newborn or using on debilitated, aged, medicated or pregnant animals. Body temperature must be maintained.

Directions:
'Spot test light colored pets/bedding/carpet/fabric prior to use.
'Do not apply treatment directly to facial area, open wounds, abrasions, or genital area.
1. Hold nozzle 8"-12" away from animal and spray cat from the head working downward toward the tail. Make sure to treat the entire coat of the cat including legs, tail and underbody.
2. Fluff the hair backward to help the spray penetrate through the coat and down to the skin. Allow product to air-dry.
3. Repeat as necessary. Product may be applied indoors or outdoors. For best results and to help reduce the occurrence of fleas and ticks, it is suggested to use this product year round.

ACTIVE INGREDIENTS:
