Front label changes:
1. Reworded: Kills bed bugs without staining
   Changed to: Kills bed bugs, cockroaches, silverfish & scorpions
2. Removed precautionary statements as
   CPSC didn’t require them:
   Keep out of reach of children
   Contact may cause skin and eye irritation

Right Side label changes:
1. Removed US flag
2. Re-worded directions for use:
   Previous:
   Shake well before using. Read entire label before using and use only in accordance with label instructions. Ready to use. Do not dilute.
   New directions:
   *Spot test bedding, carpet, and fabric prior to use.
   1. Vacuum all areas prior to applying product
   2. Apply product to as many pests as possible as well as thoroughly covering mattress and box spring.
   3. Make sure to pay attention to any cracks and crevices around the areas where the bed bugs were sighted.
   4. All clothing, sheets and bedding that may be harboring bed bugs should be washed or replaced at the same time as treatment.
   5. Allow surfaces to dry before using again or contacting.
   6. When you travel, be sure to isolate and treat luggage before it returns to your house.

3. Removed precautionary statements as CPSC doesn’t require them:
   PRECAUTIONARY STATEMENTS
   FIRST AID:
   Eye contact: Flush with cool water. Remove contact lenses, if applicable, and continue flushing. Obtain medical attention if irritation persists.
   Skin contact: Flush with cool water. Wash with soap and water. Obtain medical attention if irritation persists.
   Inhalation: If symptoms develop, move victim to fresh air. If symptoms persist, obtain medical attention.
   Ingestion: Do not induce vomiting. Never give anything by mouth if victim is unconscious, or is convulsing. Obtain medical attention.

HANDLING & STORAGE:
Handling: Use good industrial hygiene practices in handling this material. Avoid contact with eyes and skin. Wash thoroughly after handling.
Storage: Keep out of reach of children. Store in a closed container away from incompatible materials.
