DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
This supplemental labeling must be in the possession of the user at the time of pesticide application.
Before using CORAGEN® read and follow all application directions, restrictions, and precautions on the EPA-registered label.

APPLICATION
Apply at the specified rates when insect populations reach locally determined economic thresholds. Consult the cooperative extension service, professional consultants or other qualified authorities to determine appropriate threshold levels for treatment in your area.
Apply follow-up treatments of CORAGEN®, as specified in the tables on page 2 of this label, to keep pest populations within threshold limits. Refer to the Resistance Management section of this label for further guidance on follow-up treatments. See individual crop sections of this label for specific minimum spray intervals.
Use sufficient water to obtain thorough, uniform coverage.
