DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Fabric and Carpet Advisory Statement: Before cleaning test for colorfastness by applying a small amount of product in an inconspicuous area. After one minute, blot using a clean dry white cloth and check for color transfer. If color is affected, do not use. Before using this product on upholstery, look for manufacturer’s durability code tag. Use on upholstery coded “W,” “X,” or “S.” Do not use on velvet, silk, vinyl, or leather upholstery. Not intended for use on wool carpet.

**Kills 99.9% of Enterobacter aerogenes and Staphylococcus aureus on carpet. Kills 99.9% of Klebsiella pneumoniae and Staphylococcus aureus on soft surface other than carpet.**

*Non-living allergens including: Pet dander and dust mite matter.*

**FOR USE ON CARPET**

GENERAL CLEANING: Remove any excess soils, liquid or dirt. Turn nozzle to spray position. Spray a light even coating on the soiled area, and lightly scrub the surface. Let air dry.

GENERAL SPOT CLEANING: Remove any excess soils, liquid or dirt. Turn nozzle to spray position. Spray a light even coating on the soiled area, and lightly scrub the surface working toward center of the stain from the edges. Blot dry with a towel, pressing deep into the stain. Repeat as needed. Let air dry.

TO CLEAN AND SANITIZE: Remove any excess soils, liquid or dirt. Turn nozzle to spray position. Hold the spray bottle approximately 3 inches from the carpet and spray an even coating on soiled area until damp. Scrub surface with moderate pressure for 30 seconds. Allow to remain wet for 5 minutes. Gently blot area with a clean, damp, color-safe cloth. Repeat as needed. Let air dry.

TO DEODORIZE OR FRESHEN: Turn nozzle to spray position. Spray until slightly damp to eliminate odors. Let air dry. For difficult odors, repeat applications.

ANTI-ALLERGEN TREATMENT: Remove any excess soils, liquid or dirt. Turn nozzle to spray position. Hold the spray bottle approximately 3 inches from the carpet and spray an even coating on soiled area until damp. Allow to remain wet for 5 minutes. Gently blot area with a clean, damp, color-safe cloth.

FOR USE ON SURFACES OTHER THAN CARPET

GENERAL CLEANING: Remove any excess soils, liquid or dirt. Turn nozzle to spray position. Spray a light even coating on the soiled area, and lightly scrub the surface. Let air dry.

GENERAL SPOT CLEANING: Remove any excess soils, liquid or dirt. Turn nozzle to spray position.
