Use only in areas not easily accessible to children and pets.

FIRST AID
If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person spew a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately and with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. In case of emergency call a poison control center or doctor for treatment advice. Have the product container or label with you when calling or going for treatment.

PRECAUTIONARY STATEMENTS
HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS
CAUTION
Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a manner inconsistent with its labeling. This product is designed to be used in conjunction with a bait gun. To use simply attach a feed reservoir of bait to the bait gun. Feed to the dispensing tip. Aim and gently squeeze the trigger.

TO CONTROL COCKROACHES: Apply the paste liberally under and around refrigerators, stoves, sinks, dishwashers, washing machines and dryers, tubs, into openings around drains, sewers, manholes, water lines and electrical conduits, in doors and crevices along baseboards and in corners of cabinets, cupboards, shelves, and closets. Remove drawers in kitchen and bathroom cabinets, bedroom dressers and closets of drawers, then apply liberally into each corner of the drawer well. Repeat the same as above at least once a year or sooner. In institutions that close, any area visible after application must be scraped into cracks and crevices or removed. Apply in areas inaccessible to children and pets. Avoid contamination of food and foodstuffs.

DIRECTIONS FOR APPLYING IN NEW CONSTRUCTION TO CONTROL COCKROACHES: When treating large areas, such as workshops, buffets and institutional kitchens in new and existing construction, apply at the rate listed.
The product may be used in homes, businesses, and other food handling establishments such as restaurants, hotels, motels, boarding houses, rooming houses, garages, greenhouses, storage rooms, apartment buildings, new construction, industrial plants, hospitals, stores, hotels, bars, cafes, pizzerias, cafes, mobile homes, headlines, storerooms, military bases, libraries, and offices.

CRACK AND CREVICE TREATMENT:
200-400 FOOD HANDLING ESTABLISHMENTS: Places other than private residences in which exposed food or feed is held, processed, prepared or served.
200-400 AREA - APPLICATION (UNITED STATES) CRACK AND CREVICE TREATMENT ONLY: Includes areas for water tank, storage, parking (washing, sweeping, repainting, bedding), preparing, table ware storage and enclosed processing systems such as mills, kilns, boilers, equipment rooms or anywhere food is stored, processed, prepared, or served. Storage areas before food is exposed and facility in operation also shall be considered a food area.
Apply in small amounts directly into cracks and crevices using a small equipment capable of applying insecticide directly into cracks and crevices, in points between different elements of construction, between equipment and floors, openings leading to and between spaces in walls, equipment rooms and boxes, cracks and motor housing where cockroaches hide.
Care should be taken to avoid depositing the product into exposed food and feed processing, preparation and serving surfaces, or introducing the material into food and feed processing surfaces to avoid contamination. APPLICATIONS OF THE PRODUCT IN FOOD AND FEED AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN AS A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.
SERVING AREAS - Facilities where prepared foods are served, such as dining rooms, but excluding areas where foods may be prepared or held. Apply as a spot treatment to select surfaces such as sandwiches or under elements of construction in cracks and crevices. Avoid treating surfaces likely to be contacted by food. Do not apply where facility is in operation or foods are exposed. INDOOR FOOD AREAS: Include garage rooms, laundry rooms, basements, drains to sewer entries & ventilators, offices, doors, rooms, machines, basements, bat, garages, maps and cleaning after cleaning or bonding.
Apply to break areas down, ground surfaces, water surfaces, behind and beneath shrubs, lobbies, patios, and similar areas where insects hide or through which they may enter.
NOTE: Do not apply bait to areas which have been recently swept with inositol or spray inositol or snap insects over bait placements. As a result, the area may cause the bait to become impermeable. Do not place bait in locations that are resolved using, as bait will be removed by wear. Do not place treats in locations where routine cleaning operations may remove dusted bait to food or food preperation surfaces. Use caution, smaller places will provide control for a longer time, especially for German cockroach control.

STORAGE AND DISPOSAL
Do not contaminate water, food, feed or livestock by storage or disposal.
STORAGE: Store in a dry place. Do not store where children or animals touch the product. Keep out of reach of pets. PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or in an approved waste disposal facility. CONTAINER DISPOSAL: Nonflammable container. Do not leave or will this container. Wrap used containers and place in trash far.

Warranty Disclaimer
Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with the directions, subject to the disclaimer set forth below. To the extent not prohibited by applicable law, MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.
The effectiveness of use of this product is believed be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or inability to attain the expected results does not relieve the buyer of its responsibility to exercise reasonable care and skill in its use. Compliance with all directions and limitations set forth on the label is necessary for the safe use of the product. The specific use for which the product is intended, the technical conditions in the area of use, degree of use of the product, all of which are beyond the control of the manufacturer, the operators of the facility in which the product is used, or the consumer, and the use of this product to achieve results which the manufacturer or the consumer believes is beyond the scope or the product and/or the use of the product, the manufacturer shall not be liable for any loss or damage resulting therefrom.

Limitation of Remedies
To the extent not prohibited by applicable law, the exclusive remedy for defects or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at manufacturer’s election, one of the following:
1. Refund of purchase price paid by buyer or user for product bought or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law, manufacturer shall not be liable for costs or damages resulting from handling or use of this product or manufacturer is not primarily notified of such costs or damages.

The terms of this Warranty Disclaimer and Limitation of Remedies cannot be varied by any written or verbal representations or agreements, any employees or sales agents of manufacturer or the seller is authorized to vary or waive the terms of this Warranty Disclaimer or Limitation of Remedies in any manner.
It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without permission of the owner, if necessary from the owner, following investigation by the owner.
CAUTION

KEEP OUT OF REACH OF CHILDREN

Refer to label for additional cautions and complete directions.
