**Supplemental Label**

**Systiva® XS**
Xemium® Brand Fungicide

**For seed treatment use on corn**

This supplemental label expires December 31, 2015, and must not be used or distributed after this date.

Powered by Xemium® fungicide

**Active Ingredient:**
fluxapyroxad*: 1H-pyrazole-4-carboxamide, 3-(difluoromethyl)-1-methyl-N-(3',4',5'-trifluoro[1,1'-biphenyl]-2-yl)-.................................................................................................................. 28.7%

**Other Ingredients:** ......................................................................................................................................... 71.3%

**Total:** .............................................................................................................................................................. 100.0%

* Equivalent to 2.72 pounds of active ingredient per gallon

EPA Reg. No. 7969-308

**Directions For Use**

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.

- The supplemental labeling and the entire Systiva® XS Xemium® Brand Fungicide container label, EPA Reg. No. 7969-308, must be in possession of the user at the time of application.

- Read the label affixed to the container for Systiva XS before applying.

- Use of Systiva XS according to this labeling is subject to the use precautions and limitations imposed by the label affixed to the container for Systiva XS.

**Product Information**

Systiva XS is a broad-spectrum fungicide that provides preventive seed and seedling protection from several seed and soilborne diseases. Use the higher rates of Systiva XS when disease pressure is expected to be high.

**Application Information**

For use at commercial treatment facilities. Not for use on farm.

Refer to the Systiva XS container label for specific use directions, recommendations, and restrictions.

The purchaser of Systiva XS is responsible for ensuring that all seed treated with this product are adequately dyed with a suitable color to prevent accidental use as food for man or feed for animals. Refer to 21CFR, Part 2.25. Use an EPA-approved dye or colorant that imparts an unnatural color to the seed. Any dye or colorant added to treated seed must be cleared for use under 40CFR, Part 180.

**SEED LABELING NOTE:** Federal law requires that bags of treated seed shall be labeled with the following:

“**This seed has been treated with Systiva® XS Xemium® Brand Fungicide containing fluxapyroxad.**

**DO NOT** use for food, feed or oil purposes. Store away from food and feedstuffs.”

The seed label should also include the following:

“**Excess treated seed may be used for ethanol production only if (1) by-products are not used for livestock feed and (2) no measurable residues of pesticide remain in ethanol by-products that are used in agronomic practice.”

¹ Mg ai per seed rates based on the following seed weights:  
² Corn - 1767 seeds per pound  
² Sweet Corn - 3534 seeds per pound
Conditions of Sale and Warranty

The Directions For Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as the presence of other or untested or unapproved materials, seed of low quality or low vigor or low germination, use of the product in a manner inconsistent with its labeling, misapplication of the product, or weather conditions at planting or environmental conditions during seed storage, all of which are beyond the control of BASF CORPORATION (“BASF”) or the Seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

BASF warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions For Use, subject to the inherent risks, referred to above.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BUYER’S EXCLUSIVE REMEDY AND BASF’S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.

BASF and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty which may be varied only by agreement in writing signed by a duly authorized representative of BASF.
