Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry, preferably locked storage area away from direct sunlight, windows, flames and other sources of heat or ignition.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed on site or at an approved waste disposal facility. Container Disposal: Non-refillable container; do not reuse or refill this container. Do not puncture or incinerate. If empty, replace cap, offer for recycling, if available, otherwise dispose of in trash. If partly filled: Call your local solid waste agency for disposal instructions.
