Precautionary Statements

HAZARDS TO HUMANS. CAUTION.

Harmful if swallowed. Causes eye irritation. Avoid contact with skin, eyes, mouth, nose, respiratory system, ears, or ingested by a cat, contact your veterinarian. Do not give anything by mouth to an unconscious person.

If Swallowed:

Flush mouth thoroughly with water. Drink one or two glasses of milk or water. Do not induce vomiting. Get medical attention immediately.

If In Eyes:

Flush eyes with plenty of water. Call a doctor if irritation persists.

If On Skin:

Wash with plenty of soap and water. Get medical attention if irritation persists.

FIRST AID:

Wash with soap and water after treatment has been applied.

Hot Line Number

For emergency medical treatment information, you may also contact 1-888-908-TICK (8425) for emergency medical treatment information.

DO NOT ALLOW TO PREVENT HARM TO YOU AND YOUR DOG, READ ENTIRE LABEL BEFORE USING. Stop application and consult your veterinarian if your dog shows symptoms of sensitivity such as redness, scratching or other signs of discomfort. If signs of sensitivity occur, bathe your dog with a mild soap and rinse with large amounts of water. If these or other side effects occur, consult your veterinarian. Do not use more than one product on your dog at one time. This product is not recommended for any other animal species.

SIDE EFFECTS:

Monitor your dog after application. Some dogs may experience temporary startle effects when any product is applied. Dogs may experience some temporary irritation at the site of product application such as redness, scratching or other signs of discomfort. If signs of sensitivity occur, bathe your dog with a mild soap and rinse with large amounts of water. If these or other side effects occur, consult your veterinarian. Do not use more than one product on your dog at one time. This product is not recommended for any other animal species.
