PRECAUTIONARY STATEMENTS
FIRST AID
If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

Note to Physician: Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

Physical or Chemical Hazards
Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Restriction: Do not spray plants, animals or food.

Two-Way Spray: Press button very lightly to get a narrow stream for insects hiding in cracks and crevices. Press firmly for a fine mist to spray surfaces where the listed insect pests crawl. Pests must be directly sprayed in order to be killed.

Indoors
This product has been accepted by the U.S. Department of Agriculture for use according to label directions in official Federal meat, poultry and egg producing establishments.

To Kill Fleas: Before spraying, test a corner of fabric for compatibility. Hold container tilted away from your face and with a sweeping side-to-side motion spray carpets, rugs, dog and cat bedding and under furniture. Fleas contacted with the spray will be killed. One 12 oz. container treats 160 sq. ft.

Outdoors (for spot treatment only)
To Kill Listed Crawling Pests Outdoors, Including Babuque and Picnic Areas: Hold container upright. Spray away from your face sufficiently to wet ants and spiders†† that you see. Specific areas where you see these pests include outside buildings, windows, doors and sidewalks. Apply as a spot treatment only.

STORAGE AND DISPOSAL
Pesticide Storage: Store container in a cool, dry place.
Pesticide Container/Disposal: Non-refillable container, do not refill or reuse this container. Do not puncture or incinerate. If empty: Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions.

† including Carpenter Ants, but including Pharaoh Ants, Harvester Ants and Fire Ants
†† except black widow and brown recluse
*† except in California
