17.5 oz.  (496 g)
NET WT.

KILLS HARD-TO-SEE
BED BUG EGGS

KEEP OUT OF REACH OF CHILDREN

CAUTION See Black Panel for Additional Precautionary Statements

Use Restrictions:

• Read and follow all label instructions carefully.
• Do not apply this product directly to companion animals (pets).
• Do not use this product in food areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in areas where food is consumed or treated. For indoor use in homes, apartments, schools, dorms, and residential living areas.
• Do not use with any other insecticides. See integrated pest management recommendations in this manual.

Precautionary Statements

See Back Panel for Additional Information.

Storage and Disposal:

Do not contaminate water, food, or feed by storage or disposal. Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Bed Bugs:

Keep all treated areas well ventilated until the product is dry. Do not use on bedding, sheets, mattresses, or other fabric products that are laundered. Do not use heavy-traffic areas like doorways, entryways, and hallways. Do not use on walls, ceilings, or other surfaces that cannot be reached by insects.

Dust Mites:

Spray with a sweeping motion to surfaces where mites congregate such as mattresses, box springs, headboard, bed frame, and other furniture. Spray entire surface of mattresses, sheets, upholstery, and walls. Do not use on walls, ceilings, or other surfaces that cannot be reached by insects.

Storage and Disposal:

Do not contaminate water, food, or feed by storage or disposal. Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Bed Bugs:

Spray with a sweeping motion to surfaces where mites congregate such as mattresses, box springs, headboard, bed frame, and other furniture. Spray entire surface of mattresses, sheets, upholstery, and walls. Do not use on walls, ceilings, or other surfaces that cannot be reached by insects.

First Aid:

If skin or eye exposure occurs: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. If contact with the eye occurs, rinse slowly and continuously with water for 15 minutes. If irritation persists, consult a physician.

If swallowed: Give 1-2 cups of water and seek medical attention. Do not induce vomiting.

If inhaled: Get fresh air immediately. If not breathing, give artificial respiration. Consult a physician.

Ingestion:

Seek medical attention immediately. Do not induce vomiting.

Product Disposal:

If product is not used, it may be classified as hazardous waste under the Resource Conservation and Recovery Act (RCRA) and the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), and it must be properly disposed of. Contact your local waste management authority for information on proper disposal and recycling options.

Precautionary Statements:

CAUTION: Avoid contact with eyes, mouth, and skin and do not inhale vapors. Wear protective clothing and eyewear when handling this product. Do not contaminate water, food, or feed by storage or disposal. Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Physical or Chemical Hazards:

Caution: Odors of aerosol insecticides may irritate eyes, nose, and throat. Odors of aerosol insecticides may also cause allergic reactions in some individuals.
**PRECAUTIONARY STATEMENTS**

**HAZARD TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Protein or frequently repeated skin contact may cause allergic reactions in some individuals.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

EPA Est. No. 58996-M0-1

**FIRST AID**

- If on skin or clothing:
  - Take off contaminated clothing.
  - Rinse skin immediately with plenty of water for 15-20 minutes.
  - Call a physician or poison control center immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies, pesticide incidents), call 1-888-740-8712.

**PRECAUTIONARY STATEMENTS**

**GUARANTEED TO WORK FOR FOUR MONEY BACK**

**DIRECTIONS FOR USE**

**USE RESTRICTIONS:**
- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- This product is for indoor use only.
- Do not use in aircraft cabins.
- Do not apply this product directly to companion animals (pets).
- Do not apply this product when food, feed, and/or drinking water is present.
- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Do not use in food areas of food handling establishments, restaurant, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where foods are served, such as dining rooms, but excluding areas where foods may be prepared or held. In the home, cover all food processing surfaces and utensils during treatment, or thoroughly wash utensils before use. Cover exposed food and drinking water, and remove utensils before use.
- Do not apply directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Remove pets, birds and cover fish aquariums and ornamental fish ponds before spraying, and turn aquarium systems off.

**USE INFORMATION:**

For indoor use in homes, apartments, schools, dorms, and residential living areas. For best results before any carpet/surface treatment, vacuum thoroughly before spraying and immediately dispose of vacuum bag in outside trash.

Before treatment, SHAKE WELL and make a test application to surfaces to be treated in an inconspicuous place.

**BED BUGS:** Thoroughly inspect area of suspected bed bug infestation and note potential harborage sites or actual infestations. Remove and/or pick up clothing and other obstacles that may prevent thorough inspection or treatment. Remove and sanitize infested bedding (pillows and linens), clothing, or other items. Apply on mattresses as a spot treatment to mattress seams, edges, buttons, and tufts of bed only. Do not use directly on pillows, bed linens, or clothes. Do not saturate the mattress and do not treat entire surface area of mattress. Allow mattress to dry thoroughly before replacing pillow and/or bed linens.

**DUST MITES:** Spray with a sweeping motion to surfaces where mites congregate such as mattresses, box springs, headboard, floors, carpeting, and baseboard. Spray surfaces until damp. Apply on mattresses as a spot treatment to mattress seams, edges, buttons, and tufts of bed only. Do not use directly on pillows, bed linens, or clothes. Do not saturate the mattress and do not treat entire surface area of mattress. Allow mattress to dry thoroughly before replacing pillows and/or bed linens.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. Pesticide Storage: Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. Pesticide Disposal and Container Handling: Do not puncture or incinerate! Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.
