Contact potassium silicate

Precautionary Statements

Hazards to Humans and Domestic Animals

Caution. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Wear chemical resistant gloves, such as barrier laminates, nitrile rubber, neoprene rubber or vinyl.

Personal Protective Equipment (PPE)

Mixers and loaders using liquid formulation must wear:

1. Long-sleeved shirt and long pants.
2. Shoes and socks, and chemical resistant gloves.
3. Some glasses/materials that are chemical-resistant to this product are barrier laminates, nitrile rubber, neoprene rubber and vinyl.

User Safety Requirements

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, see detergent and hot water. Keep and wash PPE separately from other laundry.

Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product concentrate. Do not reuse them.

User Safety Instructions

Users must:

1. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
2. Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
3. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Environmental Hazards

This pesticide is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when disposing equipment wastewater. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board, Regional Office of Environmental Protection Agency.

Physical or Chemical Hazards

Combustible - Do not use, pour, spill, or store near heat or open flame.

In Case of Fire

Use alcohol foam, dry chemical foam, water, fog or CO2. Cool closed containers with water.

Limit of Warranty and Liability

We warrant this material to comply with our published specifications and to be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant such goods to be fit for the normal purposes for which such goods are used. We assume no responsibility that the goods concerned in this contract are fit for any particular purpose for which they are being bought outside of the general purposes of goods of the description.
