PRO-SENSE® FLEA & TICK DOG SHAMPOO
Kills Fleas & Ticks

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Read entire label before each use. Use only on dogs over 12 weeks of age. Create a situation wherein using this product can be excused, aged, treated, and monitored. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and water with large amounts of water. If signs continue, consult a veterinarian immediately. Shoe well before feeding. Wet coat completely. Apply liberal quantity of dog shampoo and wash in. Shaved and shaved areas require special attention. Additional dog shampoo should be applied directly to these places. Continue working dog shampoo into coat for several minutes. Rinse coat thoroughly in clear water. Dry coat and comb out well. Repeat every 7 days.

STORAGE AND DISPOSAL: Store in a cool dry place away from heat or open flame and from children and pets.

Precautions: Euthanasia, Carcinogenic, and Teratogenic Animals. Do not use to Induce. Induce any animal to an unnecessary person.
