Nature's Miracle® Pet Block™ Repellent Spray is formulated to help keep pets away from treated areas. The formula contains repellent scents that pets dislike and prefer not to smell. The aversion to the product’s scent is what causes pets to stay away from treated areas. The long-lasting, concentrated formula is designed for both indoor and outdoor use. Safe for use around pets and home when used and stored as directed.

**DIRECTIONS:** DO NOT APPLY DIRECTLY ON PET.

**DIRECTIONS FOR INDOOR USE:**
1) Shake before using.
2) If spraying on fabrics, test for colorfastness before use by applying to a hidden area; wipe with cloth. If color is removed from the test area, do not use on those surfaces.*
3) Apply Nature’s Miracle Pet Block Repellent Spray to the areas you wish to keep your pet away from, such as beds, furniture or rugs. Reapply daily or as needed until undesirable habit is broken. For best results, use spray in conjunction with training. Praise pet when positive behavior is exhibited.

*NOTE:* If desired area to be treated is affected by spray, treat a piece of cloth, wait for it to dry and place dried cloth on object you wish to keep pet away from.

**DIRECTIONS FOR OUTDOOR USE:**
1) Shake before using.
2) Remove all pet waste from area to be treated.
3) Then, to keep pet away, simply spray Nature’s Miracle Pet Block Repellent Spray around edges of trees, shrubbery or directly on area to be treated on grass. Do not apply directly to foliage, shrubs, flowers or ornamental plants.
4) Reapply daily or as needed until undesirable habit is broken. For best results, use spray in conjunction with training. Praise pet when positive behavior is exhibited.

**STORAGE AND DISPOSAL**
**STORAGE:** Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°F - 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

**CONTAINER DISPOSAL:** If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**
**CAUTION.** Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or repeated skin contact may cause allergic reactions in some individuals.

**FIRST AID**
**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-645-5154 for emergency medical treatment information.
