ADMIRAL® Liquid

Restricts wavelengths of sunlight to control algae and aquatic vegetation and also colors the water blue.

ACTIVE INGREDIENTS:
Acid Blue 9 .................................................. 15.31%  
Acid Yellow 23 .............................................. 1.00%  
OTHER INGREDIENTS: .................................... 83.69%  
TOTAL: ...................................................... 100.00%

Keep Out of the Reach of Children
CAUTION

See booklet for additional First Aid, Precautionary Statements, Directions for Use, and Conditions of Sale and Warranty.

EPA Registration No. 67064-2  
EPA Est. No. 67064-IA-001

Batch code: Located on physical container.

NET CONTENTS: 1 Gallon (3.78 Liters)
Product of USA.

FIRST AID

If swallowed
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- DO NOT induce vomiting unless told to do so by a poison control center or doctor.
- DO NOT give anything by mouth to an unconscious person.

If on skin or clothing
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- Call a poison control center or doctor for treatment advice.

If in eyes
- Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes; then continue rinsing eyes.
- Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact BASF Corporation for emergency medical treatment information at 1-800-832-HELP (4357).

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wear long sleeved shirt, long pants, shoes, socks, and chemical resistant gloves made of any waterproof material. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

USER SAFETY REQUIREMENTS

Follow manufacturer's instructions for cleaning/maintaining Personal Protective Equipment. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS

- User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- User should remove clothing/PPE immediately if pesticide gets inside.
- Then wash thoroughly and put on clean clothing.
- Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

Shoreline non-target plants (cattails, water lilies) may suffer contact burn if material is accidentally poured on them. Apply this product only as specified on the label. DO NOT make applications when weather conditions favor drift from target area. DO NOT apply where runoff is likely to occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

APPLICATIONS

Use in natural or man-made ponds, lakes, fountains, golf courses and swimming ponds. Water must be under the complete control of the user and have little or no outflow (dye concentration must be maintained). DO NOT apply directly
to streams, or any body of water that may be used for human consumption. **DO NOT** apply to water for swimming pools if chlorine is used, as color will degrade.

**APPLICATION PROCEDURES**

**Admiral® Liquid** is easy to apply and rate calculations are simplified. Consult the dosage chart for suggested rates. Optimum results are achieved by applying prior to or early in the growing season when weeds are on the bottom of a body of water or when aquatic vegetation is growing at depths greater than 2 feet. Reapply as needed during the growing season.

**Admiral Liquid** is usually applied directly from the container near the shoreline. However, **Admiral Liquid** may even be applied while ice is still covering a body of water. Pour **Admiral Liquid** on the ice in a circle approximately one yard (approx. 1 meter) in diameter. The ice will melt and **Admiral Liquid** will be dispersed into the water beneath the ice. Physical removal or other aquatic weed control methods may be used before or after applications of **Admiral Liquid**. When using an aquatic herbicide, follow all label restrictions, precautions and directions for use.

(1) The following weeds are controlled at 1 ppm when growing at depths greater than 2 feet: Filamentous Blue and Bluegreen Algae, Chara, Leafy Pond Weed, Spirogyra, Slender Naiad, Water Milfoil (treat early).
(2) For prevention of Hydrilla tuber production, apply at 2 ppm after a herbicide treatment.
(3) One acre-foot is an area comprising 1 acre, 1 foot deep.

**STORAGE AND DISPOSAL**

DO **NOT** contaminate water, food, or feed by storage and disposal.

**PESTICIDE STORAGE**

Store above 32°F (0°C) to prevent freezing.

**PESTICIDE DISPOSAL**

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL**

Non-refillable container. **DO NOT** reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or if allowed by State and local authorities, by burning. If burned, avoid inhalation of smoke.
### Conditions of Sale and Warranty

The **Directions For Use** of this product reflect the opinion of experts based on use and trials. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of BASF CORPORATION ("BASF") or the Seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

BASF warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions For Use**, subject to the inherent risks, referred to above.

**TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

**TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BUYER'S EXCLUSIVE REMEDY AND BASF'S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT.**

**TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.**

BASF and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing **Conditions of Sale and Warranty** which may be varied only by agreement in writing signed by a duly authorized representative of BASF.
