For use on cats

**CONTRAINDICATIONS**

- Do not use on pets less than 12 weeks of age.
- Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals.
- Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**FIRST AID**

**IF SWALLOWED**
- Call a poison control center or doctor immediately for treatment advice. Do not give any liquid to the person. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING**
- Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

**IF IN EYES**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

**NOTE TO PHYSICIAN:**
Contains petroleum distillates. Vomiting may cause aspiration pneumonia. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-888-908-TICK (8425) for emergency medical treatment information.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL BEFORE EACH USE.**

**SHAKE WELL BEFORE USE.**

**USE ONLY ON CATS**

To be used as an aid in eliminating mites and ticks in the ears of cats and for relief from itching caused by such conditions. Apply 5 drops into each ear twice daily until ticks and mites are eliminated. Do not allow children to apply this product. Use other EPA-approved products for treatment of mites and ticks outside the ear.

**USE RESTRICTION**

Do not apply to pets less than 12 weeks of age. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:**
Store in original container in a cool, dry area that is inaccessible to children or pets.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:**
Nonrefillable container. Do not reuse or refill this container. Do not mix with or add to any other substance except as directed.

If empty, do not return to recycling program.

If partly filled, call your local solid waste agency for disposal instructions. Never place unused pesticide down any indoor or outdoor drain.
