ACTIVE INGREDIENT:
Sodium Hypochlorite............2.40%
OTHER INGREDIENTS:........97.60%
TOTAL:.................................100.00%

* Mold and mildew stains

1 GALLON (128 FL OZ) 3.78 L
Use in well-ventilated areas. Open windows and turn on fans before use. If the vapors bother you, leave the room while this product is working. For sensitive skin or prolonged use, wear gloves. Avoid prolonged breathing of vapors.

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Clean Soap Scum: Spray, wait a few minutes, wipe with sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking. To Disinfect and Kill Mild & Molds on Hard, Nonporous Surfaces such as glazed ceramic tile: Spray surface until thoroughly wet, let stand 5 minutes and rinse. This product kills Staphylococcus aureus (Staph), Salmonella enterica (Salmonella), Streptococcus pyogenes (Strep), Trichophyton mentagrophytes (Athlete's Foot Fungus), Influenza A virus and Aspergillus niger. To Remove Mildew Stains: Spray 6–8 inches from surface until surface is thoroughly covered. Allow foam to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time or two cleanings. If excess foam dries on nozzle, rinse with warm water. Rinse immediately after use on rubber, plastic and vinyl. Avoid prolonged contact with metal and old porcelain as this product can react with these materials and leave a "rusty" stain. Do not use on wood or painted surfaces unless you plan to refinish or repaint them. This product may not be able to remove mildew embedded in hard water deposits, old grout or silicone caulking. Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces as they will discolor.

TO REFILL SPRAY BOTTLE:
Twist trigger on spray bottle counterclockwise and pull upward to remove. Refill spray bottle. To replace trigger, align red-tipped tube on trigger over tube opening inside of the bottle. Press straight down on the trigger until it clicks into place.

PRECAUTIONARY STATEMENTS: Hazards to humans and domestic animals.

WARNING: Causes substantial but temporary eye injury and can irritate skin. For sensitive skin or prolonged use, wear gloves. Avoid prolonged breathing of vapors. Not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or obstructive lung disease.

Due to irritating nature, may be harmful if swallowed. FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.

If inhaled:

- Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix this product with any other household chemicals such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases.

STORAGE AND DISPOSAL: Store this product in a cool area to avoid deterioration. In case of spill, food areas with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer. Nonrefillable container. Do not reuse or refill this container. Recycle empty container or discard in trash.

CONTAINS NO PHOSPHORUS.
