ENVIROMENTAL HAZARDS
This pesticide is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when disposing equipment or mixing. Do not allow contact with other pesticides or chemicals. Do not allow to run into water systems or ponds, reduce respiratory risks, refuse disposal waste waters, or septic tanks. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, or oceans. Do not allow direct exposure to water systems without notifying the local sewage treatment plant authority. For guidance, consult your State Water Board or Regional Office of Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS
COMBUSTIBLE - Do not use, pour, spill, or store near heat or open flame.

IN CASE OF FIRE
Use alcohol foam, dry chemical, carbon dioxide, water spray, fog or foam to extinguish.

LIMIT OF WARRANTY AND LIABILITY
We warrant this material to comply with our published specifications and be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant such goods to be fit for the normal purposes for which they are used. We assume no responsibility that the goods concerned in the contract are fit for any particular purpose for which they are being bought or used by the general purposes of goods of the description.
