BREAKS THE FLEA LIFE CYCLE

Kills fleas, brown dog ticks, flea eggs, flea larvae & flea pupae

Treats up to 400 sq. ft.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION:
Causes moderate eye irritation. Avoid contact with eyes, skin and clothing.

User Safety Recommendations:
- Use only as directed. Do not overcrowd or over-treat areas, over-dust or damage furniture. Do not allow adults, children, pets or other animals to enter the treated area until dusts have settled. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

FIRST AID

If In Eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If Swallowed:
Do not induce vomiting. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-877-416-7330 for emergency medical treatment information.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS:
For Indoor Use Only.

Applications to pets are prohibited. Do not allow adults, children, or pets to enter or contact the treated area until dusts have settled. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Shake Container Well Before Using

Shake up to 80% of the volume of the powder as it settles to about 20% of the volume when using the powder. Apply powder evenly over the treated area. Do not apply more than 0.3 oz. of this product per sq. ft. Do not use as a broad carpet treatment. Only apply as a spot treatment to areas no greater than 3 feet by 3 feet per room. Apply to dry surfaces only. Do not wet powder. Do not apply more than once a day. Before application, close outside doors and windows. Turn off fans, air conditioners and other HVAC equipment to ensure powder remains in treated area. Treat pets with a registered flea and tick control product prior to re-entry.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:
Store in original container in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Non-refillable container. Do not reuse or refill this container.

If empty:
Place in trash or offer for recycling if available.

If partly filled:
Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. This container is sold by weight, not by volume. You can be assured of proper weight even though some settling of contents normally occurs during transportation and handling.
