MAXIMUM DEFENSE ™

EAR MITE & TICK TREATMENT for cats

CONTAINS ALOE

Kills ticks & ear mites

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in original container out of the reach of children and pets. Store in a cool, dry area.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Non-refillable container. Do not pour remaining contents down drains. Place in trash or offer for recycling, if available. Properly wash hands after handling and after using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

IF ON SKIN OR CLOTHING

Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Hold eye open and rinse slowly over a wide area with plenty of water for 15-20 minutes. Consult a veterinarian if irritation persists.

IF IN EYES

Rinse skin immediately with soap and water. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and after using the toilet. Harmful if swallowed. Harmful if absorbed.

HARMFUL IF SWALLOWED. HARMFUL IF ABSORBED

HAZARDS TO HUMANS & DOMESTIC ANIMALS

PRECAUTIONARY STATEMENTS

NOTE TO PHYSICIAN:

Vomiting may cause aspiration pneumonia. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-877-416-7330 for emergency medical treatment information.

IF ON SKIN OR CLOTHING

Rinse skin immediately with soap and water. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and after using the toilet.
