PRESERVATION STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes skin irritation and substantial but temporary eye injury. Do not get in eyes, on skin, or on clothing. Wear face shield or goggles. Prolonged or frequently repeated exposure may cause allergic reactions in some individuals. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling.

FIRST AID

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have person rinse eyes with lots of water. Do not allow anything other than water to enter the eyes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

HOT LINE NUMBER:
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-416-7330 for emergency medical treatment information.

PHYSICAL AND CHEMICAL HAZARDS:

Do not use this product in or around electrical equipment due to the possibility of shock hazard. Do not allow products to freeze.

PRECAUTIONS FOR USE:
This is a solution of pyriproxyfen and permethrin creating a dual action water-based product designed to kill fleas and eliminate the nuisance of biting adults, larvae, and eggs. Kills fleas, ticks, flea eggs & flea larvae. Also kills roaches, ants, spiders, lice, crickets, centipedes, bedbugs, silverfish & sowbugs.

HomeMD Maximum Defense™ Home and Carpet Spray contains pyriproxyfen and permethrin and can be safely used in or around electrical equipment. Dispense into areas where pests are concentrated and do not allow liquids to come into contact with electrical equipment.

CONTROLS Reinfestation for up to 210 days

HomeMD Maximum Defense™ Home and Carpet Spray kills fleas, ticks, flea eggs, and larvae. The insect growth regulator, pyriproxyfen, in HomeMD Maximum Defense™ Home and Carpet Spray will prevent the eggs from hatching into biting adults for up to 210 days.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. PESTICIDE STORAGE: Store in a cool, dry place. Always store products in their original containers. Clean away from food and pet food. PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product directly into the environment.
