FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after meeting the water for 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Person should also take and hold this label with them.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, if necessary. Call a poison control center or doctor for treatment advice.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be harmful if swallowed (inhaled or absorbed through the skin). Do not breathe vapors (dust or spray mist). Avoid contact with skin. Do not get in eyes. Do not inhale. If swallowed, do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth.

If swallowed, wash out the mouth and nose with water. Seek medical attention. If breathing difficulties occur, give artificial respiration. If breathing does not resume, give artificial respiration. KIlk a poison control center or doctor for treatment advice.

If in eyes, flush with large amounts of water for at least 15 minutes. Remove contact lenses, if any, and continue rinsing. Call a poison control center or doctor for treatment advice.

Microban X-590 Spray Plus, when used as directed, is effective in decontaminating the treated exposed surfaces of bedding, mattresses, textiles, draperies, upholstered furniture, rugs, carpets and in storage areas to control mold, mildew, fungus, insects and odors where they are a problem.

CAUTION: Use with caution around dogs and cats while spraying. Keep them away from treated areas until the treated surfaces are dry to the touch.

CAUTION: Do not apply to foods or feed containers. Do not use livestock feed.
