PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes eye irritation. Harmful if swallowed through skin. Avoid contact with skin, eyes or clothing. Wear protective clothing such as gloves, long-sleeved action shirt, long pants, and hat. May be fatal if swallowed or inhaled. Do not breathe dust, vapor or spray mist. While spraying, or respiring or used blasting/boiling surfaces, wear a mask or a respiratory, or respirator as required by the Ministry of Occupational Health and Safety and the National Institute of Occupational Safety and Health. Remove contaminated clothing and wash before use. Wash thoroughly with soap and water after handling.

FIRST AID

If swallowed:

Call a poison control center or doctor immediately for treatment advice.

If inhaled:

Do not induce vomiting unless told to do so by a poison control center or doctor.

If on skin or clothing:

Take off contaminated clothing

If in eyes:

Hold eyes open and rinse slowly and gently with water for 15-20 minutes

If swallowed:

Keep product container or label with you when calling a poison control center or doctor or going for treatment.

ENVIRONMENTAL HAZARD:
This product is toxic to fish. Do not apply directly to water by spraying or pouring or to ponds or irrigation ditches. Do not allow drift, spray, or drift to enter water. Use according to label instructions. Do not use on landfills. Do not discharge all tanks into streams, ponds, ditches, ditches, or other waters unless in accordance with the requirements of the National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent to sewer system without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARD:
Flammable. Keep away from heat and open flame.

STORAGE AND DISPOSAL:
Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL:
Pesticide waste must be stored properly. Improper storage of excess pesticide, spray mixture or rinse is a violation of Federal law. To prevent water pollution from the waste of pesticides or the contamination of surface waters, store pesticides properly in their containers. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:
Non-refillable container. Do not reuse or refill this container. Follow the instructions for reusing and disposing of the container. Shakedown of excess contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to stop. Fill the container 1/4 full with water or water mix. Shakedown for 10 seconds. Pour the contents into application equipment or a mix tank or store material for later use or disposal. Drains for 10 seconds after the flow begins to stop. Repeat this procedure two more times.
