DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE PRECAUTIONS:
- Contact with Poison Oak or Poison Ivy anytime of the year can cause an allergic reaction.
- Handle dry plants with rubber gloves. Dispose of plants and rubber gloves in tightly sealed garbage bags.
- Barren spots can be planted with grass seed 1 week after application.
- Newly seeded lawn may be killed by seedy mowing after application.
- If an ornamental shrub or tree is in the lawn, keep spray away from foliaged and exposed roots.
- Avoid mowing 1 to 2 days after application.
- If lawn needs watering, water thoroughly before application.
- Rain or watering 6 hours after application will not wash away effectiveness.

USE RESTRICTIONS:
- Do not enter or allow pets to enter treated areas until spray has dried.
- Do not use on Bahia grass, Bermuda grass, Centipede grass, Kikuyu grass, or St Augustine grass lawns.
- Do not use on or around fruits, vegetables, or flowers. If an ornamental shrub or tree is in the lawn, keep spray away from foliaged and exposed roots.
- Do not spray on or around edible food or food crops or areas where grating is allowed.
- Do not make applications if air temperature is above 90°F.
- Replication can be made in 2 to 3 weeks if necessary, however, do not apply more than 5.4 fl oz per 100 sq ft. in a year from all applications.
- Apply when air is calm to prevent drift to desirable plants. Do not apply when wind exceeds 10 mph or average or if wind is gusting.

APPLICATION RESTRICTIONS:
- Do not apply this product in a way that will contact any person or pet, either directly or through drift.
- Keep people and pets out of the area during application.

HOW IT WORKS

Ortho® Weed B Gon® Chickweed, Clover & Oxalis Killer for Lawns Ready-To-Spray contains a proven weed killer that targets lawn weeds. This herbicide enters the lawn weeds through their leaves and moves throughout the plant to provide control.

WHERE TO USE

This product can be applied to residential lawns with the following turfgrass types: Buffalograss, Fescues, Kentucky Bluegrass, Ryegrass and Zoysia grass.

WHEN TO USE

Apply when weeds are actively growing.

WEEDS CONTROLLED

Bindweed, Black Medick, Carolina Geranium, Chickweed (Common), Chickweed (Mousefoot), Cinquefoil, Clover, Dandelion, Evening Primrose, Florida Pothos, Ground Ivy (Creeping Charlie), Ironweed, Lantana, Lepidium, Morning Glory, Oxalis, Pennywort, Plantain (Broadleaf), Plantain (Bluebillion), Poison Ivy, Red Sorrel, Speedwell (Veronica), Spurge (Garden), Spurge (Spotted), Thistle and Wild Violet.

HOW TO USE

CONNECT:
- Connect sprayer to garden hose.
- Turn on water.
- User tip: Start at the farthest point in your yard and work back.

SPRAY:
- To BEGIN spraying slide switch to "ON" position.
- Spray uniformly until the surface of the weed is wet. Spray evenly.

FINISH:
- To STOP spraying slide switch to "OFF" position.
- Turn off water.
- Release water pressure by sliding switch to "Water".
- After water slows to a drip, switch slide to "OFF" position.
- Disconnect sprayer from garden hose.

STORAGE AND DISPOSAL

Do not contaminate food or feed by storage and disposal.

Pesticide Storage:
- Store this product in its original container and keep out of reach of children and domestic animals.

Pesticide Disposal:
- Nonrefillable container. Do not reuse or refill this container.
- If empty: Place in trash or offer for recycling if available.
- If partly filled: Call your local solid waste agency for disposal instructions.

And Container Handling:
- Never place unused product down any indoor or outdoor drain.
PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION:
Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing during and after application. This product may cause skin sensitization reactions in some people. Wear long-sleeved shirt, long pants, shoes and socks when applying this product. Remove and wash contaminated clothing before reuse.

ENTRY RESTRICTION

Do not enter or allow people or pets to enter treated areas until spray has dried.

USER SAFETY RECOMMENDATIONS

User should:
- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Wash thoroughly with soap and water after handling.

FIRST AID

If on Skin or Clothing:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If in Eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Note to Physicians: Emergency Information call 1-800-225-2883

ENVIRONMENTAL HAZARDS

Do not apply directly to water. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Insuring application equipment over the treated area will help avoid run off to water bodies or drainage systems. This product contains a chemical that has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination.

NOTICE: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

THE ORTHO® GUARANTEE If for any reason you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.

ORTHOP® WEED B GON®
Herbicida contra estallarilla, trébol y vinagrillo para césped listo para rociar

MODO DE EMPLEO

Se considera una violación a la ley federal usar este producto con otros fines que no estén indicados en la etiqueta.

PRECAUCIONES DE USO:
- El contacto con la hoja venenosa o el roble venenoso en cualquier momento del año puede causar una reacción alérgica. Utilice guantes de látex al manipular plantas muertas. Dehízase de las plantas y de los guantes de goma en bolsas de basura cerradas herméticamente.
- Pueden sembrarse semillas de césped 1 semana después de la aplicación.
- Los céspedes rizomatosos sembrados pueden rociarse después del segundo corte.
- No hay plantas o arbustos ornamentales en el césped, no roce el follaje ni las raíces expuestas.
- No riege el césped por 1 a 2 días después de la aplicación.
- Si es necesario regar el césped, riegue abundantemente antes de aplicar el producto.
- La lluvia o el riego 6 horas después de la aplicación no afectará la eficacia del producto.

RESTRICCIONES DE USO:
- No acceda ni deje que las personas o las mascotas accedan a las áreas de tratamiento hasta que el rocío se haya secado.
- No aplique en césped húmedo, césped Bermuda, césped ciempiés, césped kikuyu o césped San Agustín.
- No utilice en ni alrededor de frutas, hortalizas o flores. Si hay árboles o arbustos ornamentales en el césped, no roce el follaje ni las raíces expuestas.
- No utilice en ni alrededor de plenos para animales o vegetales destinados al consumo humano ni en zonas de paso para animales.
- No aplique cuando la temperatura ambiente exceda los 32 °C (90 °F).
- Puede volver a aplicarse en 2 a 3 semanas, de ser necesario: no obstante, el total anual de todas las aplicaciones no debe exceder 5.4 onzas líquidas (160 ml) de producto por cada 100 pies² (9.3 m²).
- Aplique cuando no haya viento para evitar que sea arrastrado hasta plantas que desee conservar. No aplique cuando la velocidad del viento supere 10 mph (16 kph) de promedio o si hay ráfagas de viento.

RESTRICCIONES DE APLICACIÓN:
- No aplique este producto de forma que entre en contacto con otras personas o mascotas, ya sean directamente o al ser arrastrado por el viento.
- Durante la aplicación mantenga alejadas del área a las personas y las mascotas.

CÓMO FUNCiona

El herbicida contra estallarilla, trébol y vinagrillo para césped Ortho® Weed B Gon® listo para rociar contiene un herbicida comprobado dirigido a las malezas de césped. Este herbicida entra en la maleza del césped a través de sus hojas y se mueve a lo largo de la planta proporcionando control.

DÓNDE USARLO

Este producto puede aplicarse en jardines residenciales con los siguientes tipos de céspedes: bufalo, caruelas, césped azul de Kentucky, raíz y zoysia.
