KEEP OUT OF REACH OF CHILDREN
CAUTION
PRECAUTIONARY STATEMENTS
Hazard to humans and domestic animals: Causes moderate eye injury (irritation). Harmful if inhaled. Avoid contact with skin, eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Use of this product may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS: This product is not hazardous to water. At the levels of solution, this product is not toxic to fish. However, concentrations above the levels of solubility may be hazardous to fish, aquatic plants, and other aquatic organisms. This product is not hazardous to bees and other beneficial insects. This product may be hazardous to aquatic organisms in adjacent sites. Do not contaminate water when disposing of equipment washwater.

First Aid
If in eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Call a poison control center or doctor immediately for treatment advice.

If on skin:
Wash the contaminated skin with plenty of soap and water. Call a poison control center or doctor immediately for treatment advice.

If swallowed:
Give 1 glass of water if able to swallow. Do not induce vomiting unless instructed to do so by a poison control center or doctor.

If inhaled:
Move person to fresh air. If not breathing, perform CPR immediately. If breathing is difficult, give oxygen. Call a poison control center or doctor for further treatment advice.

Hotline number: 1-800-444-7777

Have the container or label with you when calling a poison control center or doctor, or going for treatment.
