LEA TODA LA ETIQUETA ANTES DE USAR.

Inspect sprayer carefully – make sure hose is flexible and not kinked, worn or otherwise damaged.

Spray just enough Spectracide® Weed Stop® For Lawns to lightly cover weeds.

Do not allow people or pets to enter the treated area until sprays have dried.

Do not use this product on or near desirable plants, including within the dripline of the roots of deciduous trees and shrubs.

Some hard-to-kill weeds may require re-treatment. Wait at least 30 days between applications.

Do not water treated area within six hours after application or apply if rain is expected that day or the following day.

Maximum of 0.046 lb ae 2, 4-D or 1 gal per 1,000 sq ft

Minimum of 30 days between applications

Do not use on or near desirable crops and ornamental plants.

Do not use this product on or near crops if they are expected to be grown as seed within 12 months of application.

Not apply when weather conditions favor drift from target area.

Avoid contact with eyes, skin or clothing. When using this product, wear protective eyewear, long-sleeved shirt, long pants, socks, shoes and rubber gloves. After using this product, wash exposed skin with soap and water.

Wash hands thoroughly with soap and water after handling this product.

If in Eyes:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

If on Skin:

Wash with soap and plenty of water. If irritation occurs or persists, get medical advice immediately.

If in Clothing:

Take off contaminated clothing. Rinse skin immediately with plenty of water for at least 15 minutes.

If Inhaled:

Get fresh air immediately. If not breathing, give artificial respiration. If breathing stops, get medical advice immediately.

If Swallowed:

Do not give anything by mouth to an unconscious person. Call a Poison Control Center or doctor for treatment advice.

In case of loss of consciousness:

Do not give anything by mouth. Give artificial respiration if necessary. If breathing stops, get medical advice immediately.

Protective Equipment:

Use appropriate personal protective equipment when using this product. Wear certified respirator and dust mask when spraying.

Containers:

Agricultural equipment, hand, garden and garden waste.

Do not contaminate water, food or feed by storage or disposal.

Do not use or store near fish-bearing streams, reservoirs, marshes, estuaries, bays and oceans.

Do not apply when windy. To prevent drift, avoid spraying late in the day or on windy days.

Keep out of reach of children.

Always follow label instructions and the recommendations of the manufacturer on the use and disposal of surfactants and other products used with this product.

WARNING:

Do not contaminate water, food or feed by storage or disposal.

Do not pollute water.

Do not contaminate water, food or feed by storage or disposal.

Naphthoresin, chlorinated dyes, and surfactants are only compatible with this product. Do not mix with other products.

Never store this product near food or feed. Store only in its original container.

Do not store this product in containers that contained other products.

Do not mix with other products. Do not mix with any other herbicides unless directed by the manufacturer.

Do not use in or around ponds, vernal pools, streams, lakes, rivers, and oceans.

Do not apply if rain is expected within six hours.

Do not use on or near fish-bearing streams, reservoirs, marshes, estuaries, bays and oceans.

Do not apply near fish-bearing streams, reservoirs, marshes, estuaries, bays and oceans. To prevent drift, avoid spraying late in the day or on windy days.

Do not allow untreated water from treated areas to reach fish-bearing streams, reservoirs, marshes, estuaries, bays and oceans.

Do not contaminate water, food or feed by storage or disposal.
