This product is Step 3 of a three-step lice control system. 
Step 1: Treat lice with an 8% pyrithione zinc shampoo. Re-apply in 10 days. 
Step 2: Comb out eggs and nits with a lice comb. 
Step 3: Clean home. Use this product for non-washable items. 
Dishes should be heated to water and dried in high heat.

DIRECTIONS FOR USE 

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
