Made in USA from U.S. and imported products

Whitney Farms Lawn Weed Killer 1-GAL. Product No. 10104-10045. Mat No. 186710.
HELPFUL HINTS:
The best times to treat weeds are in the Spring when they are small and growing and in the Fall to eliminate many of next year’s weeds.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE SITES: Use to selectively control/suppress broadleaf weeds growing in lawns.

PESTS: Controls weeds: Bull thistle (Cirsium vulgare), Creeping buttercup (Ranunculus repens), Dandelion (Taraxacum officinale), Moss, Speedwell spp., Persian speedwell (Veronica persica), White clover (Trifolium repens). Supresses weeds: Black medics (Medicago lupulina), English daisies (Bellis perennis).

APPLICATION DIRECTIONS
Quick Connect™ Sprayer

• Remove sprayer.
• Insert plug into spout (on cap)
• Flip up spout.
• Pull cord ALL THE WAY OUT.
• Pull cord ALL THE WAY OUT
• Open spout at end of sprayer until it clicks.

SHAKE WELL BEFORE USING. DO NOT DILUTE.
Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Repeat treatment in 3 to 4 weeks for best results.

WHAT WILL I SEE?
Works quickly, dying weeds will be seen within hours of application. Treated weeds or moss will turn brown or black. Occasionally a darkening of the grass leaf blades can occur after treatment, however the grass will recover within a few days to weeks. May stain thatch (dead grass under lawn) this does not affect the health of the grass.

USE PRECAUTIONS: Do not apply to drought stressed grass; ensure lawn is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F.
1. Do not apply to bermuda grass. If unsure of grass sensitivity, test spray a small area of your lawn.
1. Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry.
1. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 3 hours of application. Do not apply to the same area more than 4 times a year, not including spot treatments.

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
1. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For medical emergency information, you may call toll free 1-866-541-3114.

KEEP OUT OF REACH OF CHILDREN

HAZARDS TO HUMANS & DOMESTIC ANIMALS: CAUTION:
Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.
Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS: For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinseate. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Completely discharge product in sprayer prior to storage. Flip down spout to close. NO NEED TO DISCONNECT TRIGGER SPRAYER. Close nozzle on trigger sprayer. Snap sprayer back into place. Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals. Store unused material, tightly closed, in original container only, away from open flame.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Non-refillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
