DIRECTIONS FOR USE

STOP. Read entire label before use.

1. Shake well before each use.
2. Spray insects to kill on contact.
3. For long-lasting control, treat areas where insects are commonly found. Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product. Allow surfaces to remain wet for 1 minute.
4. When treating for ants, spray around door and window frames. Also treat other entry points and trails.

NOTE: Do not allow pets or children to enter treated areas until sprays have dried.

Remove pets and cover surfaces before spraying. Do not allow the spray to contact food or food-contacting surfaces. Thoroughly wash dishes, utensils and countertops with soap and water if they get sprayed.

Test new sprays on a small, inconspicuous area of fabric or rug for 24 hours before use.

Use Eliminator® Ant, Roach & Spider Killer as a spot treatment indoors only.

- Along and behind baseboards
- Around and beneath appliances
- Behind and beneath sinks
- Other areas where insects are often found
- In cracks and crevices
- Around pipes and plumbing
- In dark areas of homes, cabinets and closets
- Around waste containers

STORAGE AND DISPOSAL

Store in cool, dry area away from heat or open flame. Do Not store or dispose of if empty. Place in trash or offer for recycling if available.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals
CAUTION: Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Have the product container with you when calling a Poison Control Center or doctor, or for first aid treatment.

Physical or Chemical Hazards
Contrary to pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 110°F may cause bursting.

NOTICE: For the extent consistent with applicable laws, buyer assumes all responsibility for safety and use not in accordance with directions.
