IMPORTANT: DO NOT USE ON DOGS/PUPPIES LESS THAN 10 WEEKS OF AGE OR OVER 32-79 LBS.

DO NOT USE ON CATS.

DIRECTIONS FOR USE: ADAMS® for Dogs Flea & Tick Spot On® device should be applied to the skin, not to the hair. When applying, use applicator to part hair and get to the dog's/puppy's skin. Press open applicator lid to start device. Insert blue tube into the open applicator. Perform a gentle rocking motion to ensure that the product is delivered to the dog's/puppy's skin, not to the hair. If necessary, product can be re-applied, but not more than once per month. Do not let the product enter the dog's/puppy's eyes or nose. Do not allow the dog/puppy to eat or drink the contents of the applicator.

FOR LARGE DOGS/PUPPIES

To apply the treatment, use one applicator each and in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

NOT ALLOW CHILDREN TO APPLY PRODUCT.

FOR USE ONLY ON LARGE DOGS/PUPPIES

1. OPEN: Use finger scoop to lift open blue door.

2. LOAD: Place tube white side up into the open applicator with the dog/puppy's skin, not to the hair. When applying, use applicator to part hair and get to the dog's/puppy's skin. Press open applicator lid to start device. Insert blue tube into the open applicator. Perform a gentle rocking motion to ensure that the product is delivered to the dog's/puppy's skin, not to the hair. If necessary, product can be re-applied, but not more than once per month. Do not let the product enter the dog's/puppy's eyes or nose. Do not allow the dog/puppy to eat or drink the contents of the applicator.

3. CLOSE: Gently close the blue door and the blue lid and open device. Place the applicator device door and store in original storage. Liquid Tube Disposal: To dispose of empty tube, open and place white side up into the open applicator. Perform a gentle rocking motion to ensure that the product is delivered to the dog's/puppy's skin, not to the hair. If necessary, product can be re-applied, but not more than once per month. Do not let the product enter the dog's/puppy's eyes or nose. Do not allow the dog/puppy to eat or drink the contents of the applicator.
