- C-Phenylalkan: 0.47%

**INERT INGREDIENTS:**
- 53.09%

**TOTAL:**
- 100.00%

**WARNING:**

Keep out of reach of children.

**FIRST AID**

**IF ON SKIN:** Remove contaminated clothing. Rinse with water for 15-25 minutes. Call a poison control center or doctor for advice.

**IF IN EYES:** Hold eye open and rinse slowly with running water for 15-30 minutes. Remove contact lenses, if present, after first rinsing eyes. Then rinse again.

**IF SWALLOWED:** Call a poison control center or doctor for advice.

**STORAGE & DISPOSAL:** Do not contaminate water, food or animal feed by storage or disposal. Prevent contact with eyes, mouth and clothing. Avoid breathing dust, fumes or spray. Wash thoroughly with soap and water after handling and before eating, drinking or using the toilet. Keep out of the reach of children.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING:** Causes skin irritation. Harmful if inhaled. Caustic to the eye. Do not inject into eyes or ears. Keep out of the reach of children.

**IN CASE OF ACUTE EXPOSURE:** If skin irritation develops and persists, remove victim to fresh air. For treatment, consult a physician.

**IN CASE OF INGESTION:** Do not induce vomiting. If mistake occurs, contact a physician or toxicologist immediately.

**IN CASE OF FIRE:** Use water sprays to extinguish. Fire-fighters should wear self-contained breathing apparatus with full face or full face piece positive pressure respirator (NIOSH Type A, B, C or E) when fighting or handling a fire involving this material.

**IN CASE OF LEAK OR SPILL:** If material is ignited, use water雾; never use water spray to extinguish. Use CO2 or dry chemical extinguisher. Do not use harmonic water or water in a stream or fog for extinguishing.

**DIRECTIONS FOR USE:**

1. Prior to use, thoroughly shake container. Use a suitable spray tool and spray at least 2-3 inches away from item to be treated. Adequate coverage should be maintained to assure complete penetration of all surfaces. Do not contaminate water, food or animal feed by storage or disposal. Prevent contact with eyes, mouth and clothing. Avoid breathing dust, fumes or spray. Wash thoroughly with soap and water after handling and before eating, drinking or using the toilet. Keep out of the reach of children.

2. Special instructions for cleaning and disinfection:

   **For cleaning and disinfecting:** Thoroughly clean and disinfect all surfaces with each use. Use for pre-surgical shaving and disinfection of skin before surgical procedures. Do not use on skin.

   **Post-surgical disinfection:** Use for post-surgical disinfection of skin and external surgical wounds. Do not use on skin.

**PERSONAL PROTECTION:**

When using this product, wear a mask, goggles and gloves. When handling items made with leather or any animal products, wash thoroughly with soap and water after each use. Do not wear plastic or latex gloves during use.

**STORAGE:**

Store in a cool place away from direct sunlight. Do not store in a place where temperature exceeds 120°F (49°C). Keep out of the reach of children.

**DISPOSAL:**

Do not pour into storm drains, sewers, or other waterways. Do not contaminate water, food or animal feed by storage or disposal. Prevent contact with eyes, mouth and clothing. Avoid breathing dust, fumes or spray. Wash thoroughly with soap and water after handling and before eating, drinking or using the toilet. Keep out of the reach of children.
