DIRECTIONS FOR USE:

To reduce the risk of spreading germs, apply Lysol® Disinfectant maxcover™ mist to surfaces where you live, work, and play. For best results:

1. **Spray** to clean and disinfect.
2. **Wipe** to remove debris and streaks.
3. **Rub** for 1 minute to ensure contact time.

**Not safe or effective for micro-permeable surfaces.**

**Pre-treatment of the problem with All-Purpose Cleaner Recommended.**

**Do not use on surfaces that are sensitive to bleach.**

**Storage and Disposal:**

Store the original container in a secure place to prevent access by children. Do not use if mix has separated or if it has an unusual odor. Do not refrigerate or freeze. Do not use in areas where the temperature is below 60° F or above 100° F. Do not use near other open flames or incendiary devices.

**Ingredients:**

- Active Ingredient:
  - 5% (94% free, 6% free chlorine)

- Other Ingredients:
  - 5% (94% free, 6% free chlorine)

**Net Weight:**

12.5 oz (354 g)

**Keep Out of Reach of Children:**

**Healthcare Professionals:**

- Use gloves and eye protection.
- Use in well-ventilated areas.
- Do not mix with other cleaners.

**Pre-Treatment:**

Before using Lysol® Disinfectant maxcover™ mist, pre-treat areas with All-Purpose Cleaner before applying the disinfectant. Do not use on surfaces that are sensitive to bleach.

**Disposal:**

When the container is empty, discard the container. Do not place in a trash compactor.
