Do not apply this product over or near any open flames, or any heat source.

WHERE TO USE:

St. Paul Brand Fertilizer with Surge Broadleaf Herbicide is a surfactant-enhanced broadleaf herbicide containing 2,4-D, mecoprop, dicamba, and isoproturon in its formulation. The product is intended for the following uses:

- control of annual and perennial grasses in ornamental and residential areas;
- control of legumes, annual broadleaf weeds, and annual broadleaf weeds in residential and commercial areas;
- control of certain broadleaf weeds in agricultural areas;
- control of certain broadleaf weeds in turfgrass areas;
- control of certain broadleaf weeds in flower gardens and ornamental areas;
- control of certain broadleaf weeds in home gardens and ornamental areas;
- control of certain broadleaf weeds in parks and public areas.

Distribution and Spreader Patterns

Always read and follow the label instructions for making sure the desired spreader pattern is achieved. Use the desired spreader pattern to distribute the granules evenly. Never apply by hand.

Comparing the desired and actual spreader patterns, make adjustments as necessary to achieve the desired spreader pattern. The pattern shown is based on a 13,500 to 20,000 square feet area.

USE PRECAUTIONS

Do not use this product on ditches, embankments, or carry-over on adjacent trees or shrubs.

Do not use this product on new grasses established on land previously used for the following:

- fescue turf;
- bentgrass turf;
- creeping bentgrass turf;
- bentgrass turf;
- ryegrass turf;
- annual ryegrass turf;
- perennial ryegrass turf;
- orchards.

Do not use this product on or near deciduous plants, especially within the drip line of the roots of desirable trees and shrubs, since injury may result.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in original container in a cool, dry, well-ventilated area.

CONTAINER HANDLING: Do not contaminate water, food, or feed by storage or disposal.

LIMITED WARRANTY AND DISCLAIMER

LIABILITIES FOR INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT. This product has been shown to be effective in the control of the specified weeds.

WEEDS CONTROLLED:
