**Lice Solution Kit**

**3 Step Lice Control System**

**Lice Killing Shampoo**

- **Step 1: Treat**
  - Take Lice Killing Shampoo from hooded cap, being sure to keep it out of the eyes, nose, mouth, ears, and open wounds.
  - Apply Lice Killing Shampoo directly onto the scalp. Apply as needed to cover all visible areas.
- **Step 2: Remove**
  - After Step 1, wash the hair and scalp with a Dawn® dishwashing liquid and warm water. Rinse well.
  - Apply Lice & Egg Comb-Out Gel for 20 minutes to break down and remove lice and eggs.
- **Step 3: Control**
  - Use Home Lice, Bedbug & Dust Mite Spray to kill lice and eggs on mattresses, furniture, and other washable items.
  - Wash bedding and other items in hot water and dry in high heat.

**Important:** Read these directions to the patient when using this product.
