Cutter® Natural is a line of insect repellents that offer protection for the entire family. The formula for Cutter Natural Insect Repellent, which includes a natural active ingredient, has been tested to ensure it is effective against mosquitoes. Cutter Natural – repelling insects the natural way.

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE
Shake well before using. Hold container 6-8 inches from skin while spraying. Slightly moisten skin. For maximum protection on skin, spread with hand after application. Do not apply directly to clothing as product may cause staining. To apply on face, first spray a small amount into the palm of your hand and then spread on face and neck. Reapply every two hours or as needed.

STORAGE AND DISPOSAL
Storage: Store in a cool, dry place out of reach of children.
Container Disposal: Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partially filled: Call your solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing.
First Aid • If in eyes: Hold eye open and rinse gently and thoroughly with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. If irritation persists, consult a physician. Have the product label with you when consulting a doctor.
Physical/Chemical Hazards • Contents under pressure. Do not use or store near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
