**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by flushing down a drain to a publicly owned sewage treatment works, call your local waste management authority for disposal methods. 

**HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER:** Corrosive. Causes skin burns and moderate eye irritation. Causes respiratory tract irritation and respiratory effects. Avoid breathing spray mist, vapors or sanding dust. Excessive exposure may cause skin sensitization. Ingestion may cause gastrointestinal irritation and burns. Inhalation, or skin contact with the aerosol, may cause respiratory irritation and burns. Avoid contact with skin, eyes and clothing. Avoid breathing spray mist, vapors or sanding dust. Wash exposed skin with soap and water. Remove contaminated clothing and shoes before reuse. May pose an aspiration pneumonia hazard.
