Have product container or label with you when calling a poison control center or doctor or going for treatment. In case of poisoning, contact your Poison Control Center at 1-800-222-1222.

If Swallowed:
• Call poison control center or doctor immediately for treatment advice.
• Do not give any liquid to a person who is unconscious or having convulsions.

If in Eyes:
• Hold eye open and rinse slowly and gently with plenty of water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call poison control center or doctor for treatment advice.

If on Skin:
• Take off contaminated clothing.
• Rinse skin with plenty of water for 15-20 minutes.
• Call poison control center or doctor for treatment advice.

If Inhaled:
• Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration if indicated by mouth to mouth resuscitation.
• Call poison control center or doctor for treatment advice.

This product contains petroleum distillates and may pose an aspiration pneumonia hazard.

PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through the skin or inhaled with dust or fume, or by ingestion. Prolonged or frequent skin contact may cause allergic reactions in some individuals.

PHYSICAL OR CHEMICAL HAZARDS
Do not store, use or spill near heat or open flame. Do not use or discard container. Residence may ignite with explosive violence if heated sufficiently.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
Some materials that are chemically hazardous are listed below. If you want more options, follow the instructions for category 4 in EPA’s chemical-resistance category selection chart.

Mixers, loaders, applicators, flaggers, and other handlers must wear:
• Long-sleeved shirt and long pants.
• Chemical-resistant gloves made of barrier laminate or nitrile or neoprene or rubber or vinyl or leather.
• Shoes plus socks.

Follow manufacturer’s instructions for cleaning and maintaining PPE. If no such instructions exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product’s concentrate. Do not reuse them.

ENGINEERING CONTROLS
Pilots must use an enclosed cockpit that meets the requirements listed in the WPS for agricultural pesticides. Do not reuse them.

USER SAFETY RECOMMENDATIONS
Users should:
• Wash hands before eating, drinking, chiming, using toilet, using tobacco or the like.
• Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

ENVIRONMENTAL HAZARDS
This is a product to fish. Do not apply directly to or water at or near places where surface water is present or to tidal areas below the mean high water mark. Do not contaminate water when disposing of equipment wash water or rinse. Drift and runoff may be significant.

FURTHER USE INSTRUCTIONS
• Do not contaminate water, food, or feed by storage or disposal.
• Do not apply to water bodies or on or near livestock feeding areas, drinking water supplies, or irrigation equipment.
• Do not contaminate water, food, or feed by storage or disposal.

ACTIVE INGREDIENTS:
Mineral Oil* 98.0% INERT INGREDIENTS:
Toluene* 2.0% Total 100.0%

*Contains Petroleum Distillates Minimum Unsualonated Residue

KEEP OUT OF REACH OF CHILDREN
SEE OTHER CAUTIONS ON SIDE PANEL
