Subject: Label Amendment – addition of respirator for broccoli, cabbage, and pepper uses-master and supplemental labels  
Product Name: Elixir Fungicide  
EPA Registration Number: 70506-298  
Application Date: 5/6/2014, resubmissions dated 7/24/2014 & 8/15/2014  
Decision Number: 491583

Dear Ms. Hutcheson:

The amended label and supplemental label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A stamped copy of your labeling is enclosed for your records. The master labeling supersedes all previously accepted master labeling. The supplemental labeling supersedes the previously accepted version of this supplemental labeling. The next label printing of this product must use this labeling unless subsequent changes have been approved. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact me by phone at 703-305-5410, or via email at johnson.hope@epa.gov.
Sincerely,

Hope Johnson, Product Manager 21
