Newest Technology

100% Food Grade Ingredients

Skin Contact Friendly

Safe around Bees and Birds

May be used before, the day of or after harvest

Uses no oils, soaps or detergents

Purpose:
Super Safe kills the eggs, larvae, juvenile and adult insect. Super Safe kills Spider Mites, Broad Mites, Whitefly, Aphids, Flea Beetles, Mealy Bugs, Fleas, Ticks, Powdery Mildew, Yeast, Mold and more.

Directions for Use on Indoor/Outdoor Plants:
1. Water the plant’s soil.
2. Shake the bottle thoroughly.
3. Add 1-2 oz Super Safe to quart spray bottle.
4. Fill bottle with water and shake to mix.
5. Spray the plant early or late in the day.

Application Directions: Spray leaves, stems and buds.
For infestation eradication, three (3) application days will be needed. Each application should be two to three (2-3) days apart.
For Broad Mite, Russet Mite, Cyclamen Mite and Spider Mite infestation eradication, spray 2-3 times each application day, allowing plant to dry between sprays.
Always wash produce prior to consumption.
Spray prior to beneficial insect release.
