CAUTION KEEP OUT OF REACH OF CHILDREN

First Aid:

If swallowed: Call a Poison Control Center or doctor immediately. Do not induce vomiting. For instructions in case of poisoning, see back of label.

If in eyes: Rinse eyes thoroughly with water for at least 15 minutes, keep eyelids open, and remove any contact lenses if present.

If on skin: Wash with soap and water.

If on clothing: Remove clothing immediately and wash separately with soap and warm water.

STORAGE AND DISPOSAL

Pesticide in original container, when not in use, dry, cool, out of reach of children. Store in original container, when not in use. Store in a cool, dry, place (preferably in the original container). Do not mix or store with other chemical products.

Nonrefillable container.

Take to your local household hazardous waste facility or call your local waste management authority before disposal.

User Safety Recommendations

• Wash hands with soap and water after handling and before eating, drinking, chewing gum, using tobacco, and using the toilet.

• Users should remove clothing immediately if pesticide gets inside. Then wash hands with soap and water.

• Take off contaminated clothing and put on clean clothing.

• Call a poison control center or doctor for medical advice if you have been exposed to more than the recommended amount of this product or if you experience any symptoms (including health concerns, medical emergencies, or pesticide concerns).
