DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
This product is not to be used as a terminal disinfectant for high-level disinfection of any article or instrument that (1) is introduced directly into the human body, either orally or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood or enter otherwise normally sterile areas of the body. This product may be used to prevent or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

FOR SANITIZING INanimate SURFACES

This disinfectant spray is a germicide that kills Staphylococcus aureus, Salmonella enterica, Pseudomonas aeruginosa, Streptococcus pyogenes, vancomycin-resistant Enterococcus faecalis (VRE) and Methicillin-resistant Staphylococcus aureus (MRSA). Use to disinfect metal or glazed porcelain stalls, plastic or ceramic tile shower stalls, metal or plastic diaper pails, garbage cans, light switches and telephones, and non-wood surfaces of toilet seats, empty hamper, metal or glazed porcelain urinals, plastic or ceramic tile shower stalls, metal or glazed porcelain dishes.

*Viralid: Kills Respiravirus Type 2 (the leading cause of the common cold). Kills Pandemic 2009 (H1N1) Influenza A Virus and it is also effective against flu virus on hard, nonporous inanimate surfaces.

DIRECTIONS: Clean object to be sprayed using usual cleaning methods. HOLD DISPENSER UPRIGHT and spray 6 inches from surface until surface is wet. Allow disinfectant spray to remain on the surface for 10 minutes before wiping off.

FOR SANITIZING NON-FOOD CONTACT SURFACES

**Sanitizes: Kills 99.9% Staphylococcus aureus (staph), Klebsiella pneumoniae (K. pneumoniae), Echerichia coli, Campylobacter jejuni and Salmonella enterica on hard, nonporous surfaces in 30 seconds. Use to sanitize inanimate, hard, nonporous, non-food contact surfaces.

DIRECTIONS: Clean object to be sprayed using usual cleaning methods. HOLD DISPENSER UPRIGHT and spray 6 inches from surface until surface is wet. Allow disinfectant spray to remain on the surface for 10 minutes before wiping off.

FOR SANITIZING SOFT, NON-FOOD CONTACT SURFACES (FABRICS)

**Sanitizes: Kills 99.9% Enterobacter aerogenes and Staphylococcus aureus on soft, non-food contact surfaces in 60 seconds. Use to sanitize soft surfaces such as couches, sofas, mattresses, pet beds, etc.

DIRECTIONS: Spray until fabric is wet. DO NOT SATURATE. Fabric must remain wet for 60 seconds. Let air dry. For difficult odors, repeat application. Do not apply on silk, rayon acetate or satin fabrics.

FOR CONTROL OF MOLD & MILDEW

Prevent mold and mildew on hard surfaces such as glazed ceramic, metal and glass, in basement closets, attic storage areas, summer cottages.

DIRECTIONS: Clean object by usual cleaning methods. HOLD DISPENSER UPRIGHT and spray 6 inches from surface until surface is wet. Repeat application every seven days or when new growth appears.

FOR SPACE DEODORIZER & AIR FRESHENER

Use to deodorize meeting room, classrooms, kitchen, bathroom, sickroom, living room and churches.

DIRECTIONS: HOLD CAN UPRIGHT and point valve opening away from face. Spray upward for 3 seconds into corners as well as center of room, filling room with mist.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If not breathing, give artificial respiration. If breathing continues, do not stop. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Do not induce vomiting. Call a poison control center or doctor for treatment advice.

IF SKIN OR CLOTHING CONTAMINATED:

Wash skin with soap and water or use a disinfectant spray. Remove contaminated clothing and wash before reuse.

ON CONTACT WITH EYES, FACE, OR SKIN:

Rinse with water for 15-20 minutes. If not better, get medical attention.

IF ON CLOTHING:

Remove clothing and wash before reuse.

STORAGE & DISPOSAL

STORAGE: Store at normal room temperature, protected from heat and direct sun.

DISPOSAL: Do not re-use or re-fill container. Do not incinerate. Container is recyclable. It is your responsibility to recycle empty containers. Call your local recycling program.
