pet and to permit the collar to move about the neck. Generally, the properly fitted collar is one that, when fastened, will snugly slide over a cat’s head, and two fingers can be placed between the collar and cat’s neck. Leave 1 or 2 extra inches for collar adjustment, cut off remaining excess collar and dispose of in the trash.

4. Wash hands after placing collar on cat. Replace collar every 3 months or sooner if needed.

**STORAGE AND DISPOSAL**

Pesticide Storage: Store this product in a cool, dry place away from children and pets.

Pesticide and Container Disposal: Do not reuse container or used collar. Dispose of in trash.

**CAUTION**

Do not open protective pouch until ready to use. Do not let children play with this collar. May cause moderate eye irritation. Wash hands thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet.

Do not use on cats or kittens under 6 months. Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated, or nursing animals. Sensitivities may occur after using ANY pesticide products for pets. If signs of sensitivity occur, remove collar and bathe your cat with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

**DIRECTIONS FOR USE**

Read Entire label before each use and use only in accordance with label instructions.

1. Do not open until ready to use. Take the collar out of the packaging and stretch to full length. The tabs that hold the collar in place will fall off when stretching. Pull on any remaining tabs to remove them.

2. Bend the buckle in half between the holes in the buckle, so that you can easily pass the end of the collar through both holes.

3. Place the collar around your cat’s neck. Feed the collar through both holes facing out. Fit to the neck of the cat. The collar must be worn loosely to allow for growth of the neck.
