Hartz® UltraGuard®
Topical Flea & Tick Control
for Dogs & Puppies

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS: CAUTION:
Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.
HAZARDS TO DOMESTIC ANIMALS:
Do not use on other animals. Do not use on dogs or puppies less than 12 weeks old or weighing less than 15 lbs. Do not use this product on debilitated, aged, infirmed, pregnant or nursing animals or on animals known to be sensitive to pesticide products without first consulting a veterinarian. Sensitivity, such as slight transient redness of the skin at the site of application, may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap, rinse with large amounts of water, and consult a veterinarian immediately.
ENVIRONMENTAL HAZARDS: This product is toxic to birds.

FIRST AID:
If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

HOT LINE NUMBER: Have the product container or label with you when calling a poison control center, doctor, veterinarian, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-275-1414.

FOR USE ONLY ON DOGS AND PUPPIES 12 WEEKS AND OLDER WEIGHING 15 to 30 lbs.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
IMPORTANT! READ ENTIRE LABEL BEFORE EACH USE.
FOR USE ONLY ON DOGS OR PUPPIES 12 WEEKS OF AGE OR OLDER.
DO NOT USE ON DOGS OR PUPPIES WEIGHING LESS THAN 15 LBS.
DO NOT ALLOW YOUR DOG/PUPPY TO INGEST THIS PRODUCT.

1. Remove one applicator tube from the package and hold in an upright position pointed away from your face.
2. Pull off cap. Turn the cap around and place on top of tube.
3. Simply press cap down to break the seal of the tube. Remove cap carefully.
4. Position the tip of the tube on the dog's back between the shoulder blades. Use the tip of the tube to part the dog's hair so that the product will be applied at skin level. Begin squiring out the contents of the tube to form a strip as you move from the shoulder blades along the dog's back to the base of the tail.
5. Repeat every month.
6. Do not bathe your dog 48 hours prior to application.
7. Separate treated dog from other pets for 24 hours after treatment has been applied.

STORAGE AND DISPOSAL: Pesticide Storage: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Handling: Non-rechargeable container. Do not reuse or refill container. If empty, offer for recycling. If available, if partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

For more information, call our experts at 1-800-275-1414.

SIDES EFFECTS:
Monitor your dog after application. Side effects, although rare, may include signs of skin irritation such as itching, scratching, or other signs of discomfort. Unintentional signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or call 1-800-275-1414.

DO NOT USE ON CATS.
Keep cats away from treated dogs for 24 hours. If applied to a cat or ingested by a cat, contact your veterinarian.
