Hartz UltraGuard®
Topical Flea & Tick Control
for Dogs & Puppies

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS - CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

HAZARDS TO DOMESTIC ANIMALS: DO NOT USE ON OTHER ANIMALS. Do not use on dogs or puppies less than 12 weeks old or weighing less than 6 lb. Do not use this product on debilitated, aged, medicated, pregnant or nursing animals or on animals known to be sensitive to pesticide products without first consulting a veterinarian. Sensitivity, such as slight transitory redness of the skin at the site of application, may occur after using any pesticide product for pets, if signs of sensitivity occur, bathe your pet with mild soap, rinse with large amounts of water, and consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS: This product is toxic to fish.

FIRST AID:
If in eyes: • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses. If present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice.

If swallowed: • Do not induce vomiting. • If nausea occurs, give small quantities of water. • Call a Poison Control Center or doctor for treatment advice.

If on skin: • Rinse with soap and water. • Call a Poison Control Center or doctor for treatment advice.

If on clothing: • Remove clothing and wash with soap and water.

STORAGE AND DISPOSAL: Pesticide Storage: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Handling: Non-refillable container. Do not reuse or refill container. If empty: Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

For more information, call our experts at 1-800-275-1414.

SIDE EFFECTS
Monitor your dog after application. Side effects, although rare, may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Unintentional signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, contact your veterinarian or call 1-800-275-1414.

DO NOT USE ON CATS.
Keep cats away from treated dogs for 24 hours. If applied to a cat or ingested by a cat, contact your veterinarian.
