RESTRICTED USE PESTICIDE DUE TO HAZARD TO NONTARGET ORGANISMS

For retail sale to and use only by Certified Applicators or persons under direct supervision and only for those uses covered by the Certified Applicator’s Certification.

CALEDONIA GROUND GRIFFINS

USE RESTRICTIONS: For control of Caledonia Ground Griffins (Urosaurus ornatus). Use this product only in a manner that results in the death of a member of an endangered species. The use of this product may pose a hazard to Federal designated endangered/federally threatened species. Suggested use rates are for preventively controlling active or potential pest problems in suburban, residential, and concealed places. This product must be applied to the bait stations. Do not apply bait in or around any water, food, feedstuffs, or areas where ground squirrels have been found. Use only in accordance with label directions. KEEP OUT OF REACH OF CHILDREN

NOTE TO PHYSICIAN

If swallowed, this material may reduce the clotting ability of the blood. If ingested, administer Vitamin K1 immediately after handling this product. Wash the outside of gloves and follow manufacturer’s instruction for cleaning/maintaining PPE. If contact occurs, wash water or rinsate.

WARRANTY:

To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risk of use and handling of this material when such use and handling is contrary to label instructions.
