**TO WORK, OR YOUR MONEY BACK**

**ACTIVE INGREDIENTS:**
- Imiprothrin ............ 0.100%
- Lambda-Cyhalothrin .... 0.025%
- Other Ingredients .... 99.875%
- TOTAL ................ 100.000%

**HOW TO USE**

**Shake well before using:** Hold can at an angle and spray into cracks and crevices to treat for bed bugs. Spray surfaces until damp, moving the spray rapidly to prevent excessive wetting and waste of product. Application of product should be no less than a three second spray. Point spray away from people, pets and plants. Do not use as a room spray.

**WHERE TO USE**

To Kill Bed Bugs and Bed Bug Eggs: Apply as a spot treatment to cracks and crevices around baseboards, floorboards, bedboards and walls, night stand and dresser drawers, picture frames and wall hangings, crown molding, and door and window casings. Allow treated surfaces to dry thoroughly before use. Inspect area and repeat after 2 weeks, if necessary, while bed bugs are present. For persistent infestations consult a professional applicator.

**STORAGE AND DISPOSAL**

Pesticide Storage: Store in cool, dry area inaccessible to children and away from heat or open flame. Do not puncture or incinerate!

Pesticide Disposal and Container Handling: Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130ºF may cause bursting.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For indoor residential use only.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

To Treat Beds for Bed Bugs and Bed Bug Eggs: Disassemble the bed frame and remove bedding. Do not apply product to bedding. Do not saturate the mattress or box spring. Do not treat the entire surface of the mattress or box spring. Apply this product to the bed frame, mattress and box spring. Application to mattresses and box springs is intended for treatment of seams, edges and tufts only. Allow the spray to dry before using the mattress and/or box spring. Also apply the product to cracks and crevices in the sleeping area such as baseboards, behind pictures/wall hangings, along and underneath carpet edges and around other articles/furniture in the bedroom or sleeping area. Do not apply to stuffed animals or toys.

To Treat Luggage for Bed Bugs and Bed Bug Eggs: Remove contents and spot treat areas that may harbor bed bugs, concentrating on corners, pockets inside the luggage and seams. Allow luggage to dry before reuse.
