**First Aid (cont.)**

**Note to Physician**: If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer Vitamin K, intramuscularly or orally. Repeat as necessary based on monitoring of prothrombin times. Severe cases may require administering Vitamin K, intravenously and giving blood transfusions.

**Treatment for Pet Poisoning**: If animal eats bait, call veterinarian or 1-800-498-5743 at once.

**Note to Veterinarian**: Anticoagulant Diphacinone: for animals ingesting bait and/or showing poisoning signs (bleeding or elevated prothrombin times), give Vitamin K.

For 24-hour emergency information on this product, call 1-800-498-5743 (U.S. & Canada) or 1-651-523-0318 (all other areas).

**Precautionary Statements**

**Hazards to Humans and Domestic Animals**

**Danger**: Fatal if swallowed, absorbed through the skin or inhaled. Causes moderate eye irritation. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling. Avoid exposure to this product during pregnancy.

**Personal Protective Equipment (PPE):**

Movers must wear coversalls worn over short-sleeved shirt and short pants, chemical-resistant footwear, socks, a dust/mist filtering respirator (NIOSH/MSHA approval number preta 82-21C), protective eyewear, and waterproof gloves.

**User Safety Requirements**

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash hands thoroughly after applying the bait and before eating, drinking, chewing gum, using tobacco or using the toilet and change into clean clothing.

**Environmental Hazards**: This product is extremely toxic to mammals, birds and other wildlife. Dogs, cats and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not allow bait to be exposed on soil surface. Do not apply where runoff is likely to occur. Do not contaminate water when disposing of equipment wash water or rinsates.

**Directions for Use**: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**When Obtaining Treatment Advice**

If Swallowed:
- Call a poison control center or doctor, or 1-800-498-5743 immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on Skin or Clothing:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor, or 1-800-498-5743 immediately for treatment advice.
- Move person to fresh air.
- If person is not breathing, call an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
- Call a poison control center or doctor, or 1-800-498-5743 immediately for treatment advice.

If Inhaled:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor, or 1-800-498-5743 immediately for treatment advice.

---

**Storage and Disposal**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage**: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals. Sweep up spills carefully and dispose of as indicated below.

**Pesticide Disposal**: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or used bait is a violation of Federal Law. If these wastes cannot be disposed of by use according to the label instructions, contact your State pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Handling**: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available, or dispose of empty container in a sanitary landfill, or by incineration.
