FRONTLINE®
GOLD FOR DOGS

For use ONLY on Dogs and Puppies
Weighting 45–88 lbs

Triple Action formula, Fast Acting, Long Lasting, Waterproof
Kills fleas, flea eggs, flea larvae and ticks including those that may transmit Lyme Disease

ACTIVE INGREDIENTS:
- Fipronil: 9.80%
- S-(−)-Methoprene: 8.00%
- Pyriproxyfen: 0.25%

OTHER INGREDIENTS: 81.15%

TOTAL: 100.00%

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS. CAUTION. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

HAZARDS TO DOMESTIC ANIMALS
For external use only. Do not use on dogs or puppies under 8 weeks of age or weighing less than 45 lbs. Sensitivities may occur after using any pesticide product for dogs. If signs of sensitivity occur bathe your dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Dogs may experience some temporary irritation at the site of product application. Consult a veterinarian before using this product on medicated, debilitated, or aged dogs. Call 1-800-860-1842 for 24-hour assistance.

PHYSICAL OR CHEMICAL HAZARDS
Do not use or store near heat or open flame.

PHYSICAL OR CHEMICAL HAZARDS
Do not use near children.

HAZARDS TO DOMESTIC ANIMALS
Do not use on cats.

OTHER INGREDIENTS
- Pyriproxyfen: 0.25%
- Fipronil: 9.80%

TOTAL: 100.00%

RESTRICTIONS
USE ONLY ON DOGS OR ON PUPPIES 8 WEEKS OF AGE AND OLDER.
DO NOT EXCEED LISTED DOSAGE AMOUNT FOR DOGS.
DO NOT ALLOW YOUR DOG TO INGEST THIS PRODUCT.
DO NOT USE ON RABBITS, CATS, KITTENS, OR OTHER ANIMALS.
DO NOT REAPPLY FRONTLINE GOLD FOR DOGS FOR 30 DAYS.
DO NOT APPLY MORE THAN ONE TUBE TO DOGS.

FREQUENCY OF APPLICATION:
When used monthly, FRONTLINE GOLD FOR DOGS breaks the flea life cycle and controls tick and chewing lice infestations. Research demonstrates that FRONTLINE GOLD FOR DOGS kills adult fleas, flea eggs, and flea larvae for up to three months. FRONTLINE GOLD FOR DOGS also prevents development of all flea stages for up to three months. FRONTLINE GOLD FOR DOGS kills ticks for at least one month. A once monthly application is recommended where tick control is needed. Although FRONTLINE GOLD FOR DOGS can control fleas for up to three months, if there is a high risk of reinfestation or if the dog has fleas which may cause flea allergy dermatitis, a once monthly application may be needed.

FRONTLINE GOLD FOR DOGS remains effective even after bathing, water immersion, or exposure to sunlight. Avoid contact with treated area until dry. Do not reapply FRONTLINE GOLD FOR DOGS for 30 days.

FRONTLINE GOLD FOR DOGS is approved for use on dogs, including breeding, pregnant and lactating bitches.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Do not use or store near heat or open flame.

PESTICIDE STORAGE:
Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

PESTICIDE DISPOSAL:
Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Call your local solid waste agency for disposal instructions. Never place unused container down any indoor or outdoor drain.

CONTAINER HANDLING:
Non-refillable container. Do not reuse or refill this container. If empty: Offer for recycling, if available or place in trash. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

SIDE EFFECTS
Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or call 1-800-860-1842.

DO NOT USE ON CATS
Keep cats away from treated dogs for 24 hours. If applied to or ingested by a cat, contact your veterinarian.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow children to apply product.

READ ENTIRE LABEL BEFORE EACH USE

First Aid
If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Hot Line Number:
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-860-1842, 24 hours per day, 7 days per week.

PESTICIDE DISPOSAL:
Wastes resulting from the use of this product may be disposed of in soil or at an approved waste disposal facility.

CONTAINER HANDLING:
Non-refillable container. Do not re-use or refill this container. If empty, offer for recycling, if available or place in trash. For pets, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

SIDE EFFECTS:
Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of dermatitis. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If adverse effects occur, consult your veterinarian or call 1-800-660-1842.

FIRST AID:
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off all contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER: Have the product container or label with you when calling a poison control center or doctor. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-660-1842, 24 hours per day, 7 days per week.

DIRECTIONS FOR USE:

1. Remove one applicator from the package and hold in an upright position pointed away from your face.
2. Twist dispensing tip clockwise about 1/2 turn while pushing down to break the tube’s seal. Do not remove the dispensing tip.
3. Lay the dog on its back in a comfortable position with the neck slightly extended.
4. Lift the dog’s tail. You may bathe your dog 48 hours after application.
5. Place the dispensing tip on the dog’s back between the shoulder blades. Use the dispensing tip of the tube to part the dog’s hair so the tube is not covered. Squeeze out the contents of the tube into the stripe.

FREQUENCY OF APPLICATION:
When used monthly, FRONTLINE GOLD FOR DOGS breaks the flea life cycle and controls tick and chewing lice infestations. Research demonstrates that FRONTLINE GOLD FOR DOGS kills adult fleas, flea eggs, and flea larvae for up to three months. FRONTLINE GOLD FOR DOGS also prevents development of all stages of a dog’s tick for at least one month. A once monthly application is recommended where tick control is needed. Although FRONTLINE GOLD FOR DOGS does not control all stages of the dog’s flea life cycle which may cause the allergy dermatitis, a once monthly application may be needed.

FRONTLINE GOLD FOR DOGS remains effective even after bathing, water immersion, or exposure to sunlight. Avoid contact with treated area until dry. Direct appearance of FRONTLINE GOLD FOR DOGS 30 days.
