SAFE AROUND CHILDREN & PETS

DIRECTIONS FOR USE:
READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

Safe for use around dogs & cats 12 weeks & older. Prevent children and pets from entering the area being treated until after surface powder has been vacuumed. Apply to dry surfaces only. This product is designed to be non-staining; however, always apply a small amount to an inconspicuous area to test for colorfastness.

Prior to use, remove seal and open cap to expose shaker holes.

Carpets & Flooring: While holding the container 2-3 feet from the floor and away from the body, gently shake container in a side to side motion to provide a fine layer of powder that evenly covers the surface. For maximum coverage, lightly tap powder with a broom to work powder into carpet fibers. Wait at least 60 minutes before vacuuming to remove visible surface powder. For best results, delay vacuuming for 24 hours. Repeat as often as necessary to prevent re-infestation.

Upholstery & Pet Bedding: Remove loose cushions. Sprinkle along creases and into corners. Wait at least 60 minutes before vacuuming to remove visible surface powder.

CAUTION: KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Causes moderate eye irritation. Wearing eye, mouth and glove covering provides the best protection. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.
